"Blood Covenant" part 1 Sun April 28, 2019

I. **Hebrews 10:16-23**

A. Covenant

1. Simple Meaning: Contract

- The Old Testament Contract was dependent upon our obedience
- The New Testament Contract is dependent upon THE BLOOD!

2. One thing you must know: God never breaks His Word!

B. The Significance of the Veil

1. Sin separated man from the Holy of Holies /The Veil was the tangible boundary that kept anything "unholy" away from God's Presence

2. It was 60 feet long and 30 feet wide with its thickness about the size of the palm of a hand (300 priests had to carry it)

3. The Body (Flesh) of Jesus took the veil's place / When Jesus died, the separation died!

C. Access by the Blood

1. What gives me the right?

THE BLOOD!

2. Why am I able to call myself His son?

THE BLOOD!

3. Why am I able to receive His promises?

THE BLOOD!

II. Covered By The Blood

A. The First Adam – **Genesis 3:20-21**

1. When Adam disobeyed, the first thing to disappear was God's covering

2. Immediately, Adam knew that he needed a covering so he and his wife sewed fig leaves together; this was the first man-made covering

3. The first blood sacrifice was made here; God did this as a prophetic sign for the covering to come (the first clothes were dripping in fresh blood)

B. The Last Adam

1. The one thing that gave Jesus the right to lay His life down and take it again:

THE BLOOD! The one thing that Satan overlooked: **THE BLOOD!** The one thing you need more than anything in this life: **THE BLOOD!**

2. Jesus came to undo what the First Adam had done: So He cursed the very thing that man used in the beginning for his covering – the Fig Tree!

3. **Revelation 19:11-16**

C. Plead the Blood or Apply It?

1. **Exodus 12:7 & 13**

2. The word "plead" is an old Pentecostal phrase that does not give an accurate description of the Believer's authority. When a person "pleads" something they are appealing or entreating like pleading their case. Jesus already pled your case with His Blood; you simply apply it! **Revelation 12:11**
