"Can You Hear That?" part 1 Sun Oct 28, 2018

- I. ***John 10:1-10, 14, 27***
 - A. Do you KNOW the Voice of God?
 1. Because God is no respecter of persons, He is speaking to everyone (saved & unsaved), so the question is not, "Is God Speaking?", but rather, "Are you listening?"
 2. 2 things that determine your relationship:
 - Hear the Voice of God
 - Follow Him
 - B. The Goal
 1. To Know God: To Know His Voice
 - ***I Samuel 3:1-9***
 - ***Exodus 33:11***
 2. To quickly obey (no hesitation, fully trusting Him in everything)
- II. The Voice of the Stranger
 - A. This alone is the culprit to keeping us from the Shepherd's voice
 1. God's people have become more familiar with the wrong voices (the stranger's voice is louder and more prevalent in this world....and even among God's people – to hear the gentle, quiet voice of God, you must go to the secret place of God and be separate!)
 - To hear the voice of God like Moses, you must be like He was (***Num 12:3***)
 - Your position determines your promise!
 2. Common sense: Eliminate the stranger's voice and God's voice will remain!
 - B. Adam & Eve (***Genesis 3:1-2, vs 17***)
 1. Satan is masterful in trying to draw you into his conversations.
 2. The "second word" will always come to challenge God's "First" Word of Promise
 - C. How to put the stranger's voice in its place
 1. Remember, in order to hear God's voice, we must first deal with the other's that we have become so familiar with.
 2. Eve should have done what? What should you do? - "IT IS WRITTEN" (It has been said!)
 3. ***II Corinthians 10:4-5***
