

# "Coming Out of Egypt"

Wed Sept 9, 2020

## I. **Exodus 3:1-14**

- **How long was Israel in Egypt?**
- **What name did God reveal to Moses to tell the Israelites when they asked him what is the name of the one who sent him?**

- |   |
|---|
| - <i>A key revelation for your breakthrough: in order to enter in, you must first come out (in the New Testament, we must put off in order to put on!)</i>  |
| - <i>As far back as every man, woman, or child could remember was what the previous generation had told them. 430 years of bondage, slavery, and despair....it was engrained in their minds and in their spirits!</i> |

## II. "Let My People Go!"

### 1. **Exodus 8:1**

- What is the purpose of being free? **So you can serve the Lord & enjoy what God has freely given to you**
- *"He whom the son sets free is free indeed!"*

### 2. **II Corinthians 6:17-18** "Come out from among them...."

- |   |
|---|
| - <i>Pharaoh represents the spirit that holds you in bondage; Moses represents the voice of God's presence that comes to set you free (Which voice is louder in your life?)</i> |
|---|

## III. Survival/Wilderness/Egypt mentality vs. Promise Land mentality

### 1. *"Many are called, but few are chosen..."*

\* **The world is in a "survival" mode; believers should not "BUY IN" to this way of Thinking.**

\* **Exodus 14:10-12** (You must first remove Egypt from your heart...or another Word is "Come to yourself")

\* **Luke 15:14-17** – the Real story of the Prodigal Son

### 2. Are there any "Joshua & Caleb's" in this generation?

### 3. Hasn't unbelief caused God's people to wander in the wilderness for too long? Let's go to our promise land!
