“Faith Without Works...”

Wed June 12, 2019

- I. **James 2:14-17**
 - A. The Increase of Faith
 1. The Holy Spirit is preparing us for greater things...greater glory; in order to achieve His standard, Faith must be at the highest level
 2. How do we increase our faith? Put your faith to work!
 - Faith as a seed and Faith as a servant
 - *“If you had faith as a seed, you would SAY (Saying is an action)”*
 - B. The Fruits of Faith
 1. **James 2:18**
 2. Every action, every word (Fruits) reveal the level of your faith
 3. Jesus said in **Matthew 7:15-20**, *“You shall know them by their fruits.”*
 - One of the greatest spiritual lessons you could ever learn is to never ignore an individual’s fruits (how they act, portray themselves)
 - Someone says, “Please forgive me for what I have done.” If they are unwilling to show fruits of repentance (**Matthew 3:8**), then they are not sincere at all.
- II. Your Action of Faith Produces Miracles
 - A. **II Kings 5:9-14**
 1. The uniqueness of this story reveals the power that lies within your actions:
 - Obviously, believing is a major key in receiving from God
 - But Your Doing Releases the Power to Receive!
 2. What are you giving God to work with?
 - Sitting around and “waiting” is not acceptable in the terms of faith
 - When you trust God, you will act in accordance with His spoken Word
 - B. **II Kings 6:4-7**
 1. God always uses something that you have; in fact, He needs it in order to produce a miracle....
 - Water to Wine
 - Tithing
 - Jericho and the Walk of Faith
 2. Don’t be afraid to step out on His Word
