"Murmuring Generation"

Sun May 19, 2019

I. ***II Timothy 3:1-5***

A. Signs of the "last days"

1. Every lawless "seed" that is mentioned in this scripture identifies the generation that we are surrounded by right now
 - We are living in the most prideful society this world has ever seen
 - "I am owed something" mentality
2. The reason the Bible says to "turn away" or avoid them is simply because "*Bad company will corrupt your good morals*". (*Amp I Corinthians 15:33*)

B. Unthankful

1. Thankless; Ungrateful
2. This is the word the Holy Spirit wants us to pay special attention to today; because we live in an ungrateful society, we have allowed a strong ungodly spirit to become a part of our lives....the murmuring spirit must go in Jesus Name!

II. Children of God....Be Aware

A. ***Numbers 14:26-33***

1. Murmur – Grumble; Complain (A mumbled or private expression of discontent)
 - *It's too hot; It's too cold; My food isn't right; Can you believe these gas prices?; Why do they call this fast food...I've been waiting in line for 4 minutes now; Can you believe how early I have to get to the airport now to make my flight?; Oh God, it's Monday;...Job, Money, Slow Internet, Foreigners coming to our country and stealing jobs, Traffic...People being stupid, in-laws, kids, co-workers, and too many commercials!*
 - Remember this statement: when you complain about something, you are passing your judgment on it!
2. Only 2 people had a good report of positive outcome concerning the promise land (***Numbers 13:30-31***); When you bring forth an evil report (murmur and complain), you will bring judgment upon yourself and wander aimlessly in dry places and open yourself up for destruction. (***I Corinthians 10:10***)

B. Be Thankful (Be positive about everything)

1. ***Psalms 100:1-5*** (a powerful scripture that all of us should memorize)
2. ***Ephesians 5:1-4*** Foolish Talking includes Complaining
