

# "No More Walls"

Wed June 16, 2021

- I. **Joshua 6:1-10** (The Story of Jericho)
  - A. The enemy and his walls
    1. Satan will always try to stop you from reaching your promise land
      - The promise land represents God's free gifts....the things that pertain to life and godliness...the things that are freely given for you to have right here on this earth
      - Think about all the things that God wants you to have that you have not received because the walls were given place to speak louder than God
    2. ***You have a choice: you can either look at those walls as a problem or you can look at them as an opportunity!***
  - B. Principles for Success
    1. Be still and know that He is God (Be quiet & pray)
    2. Be quick to obey – When God speaks....just do it!
    3. Your actions speak loud and strong
      - It may be necessary to Walk (physically) around your walls
      - Let Satan know you mean business
    4. Shout with a great shout

- Seeing the Victory is the key to receiving your victory!
--

- Why shout? <b>Psalm 47:1</b>
--------------------------------

- II. The personal walls of what we perceive as protection
  - A. **Acts 24:16**
    1. Your conscience is your perception and your perception is your reality
    2. The Walls we build are more difficult to bring down because of the investment that it took to build them (brick by brick, sweat & tears)
  - B. The power of forgiveness
    1. **Mark 11:25-26** (You free yourself...Sunday's message)
    2. ***"Lord, I release \_\_\_\_\_; Just as you have forgiven me, I also forgive \_\_\_\_\_. Thank you for giving me the joy to walk in freedom and victory, and I pray that \_\_\_\_\_ will also be able to do the same. I pray this in your name. Amen!"***
