

## “One Day At A Time” part 2 Sun Aug 23, 2020

### I. **Matthew 6:31-34**

1. There is a place of great peace, a place of prosperity and health; God wants you to experience it every day; He wants you to experience it on THIS DAY! Do you know what this place is called? The Secret Place
2. **Psalm 91:1-2**
  - **What is the meaning of the “Secret Place”?**
  - **How do I find it?**

- *When you seek Him, you will find Him*

- *Remember, what you place first, everything else must submit to*

### II. Moving from Knowing Him as Savior to Knowing Him as Lord

1. In this, you will find the greatest revelation of how to live in the now...how to live today: when you receive what Jesus did on the cross, He became your savior; but when you decide to FOLLOW Him, that's when He becomes your Lord!
2. Another word for Lord is Shepherd
3. **Psalm 23:1-6**

- *The areas in life that we struggle with are the areas that we are still trying to control within ourselves*

- *In yourself, you can do....no, not one thing (John 5:30)*

### 4. **I Peter 5:6-7**

\* Repeat: “Today, I make a decision. Jesus, I move from knowing you as Savior To knowing you as Lord. I choose this day, to give you all my cares, all my Anxieties, all my fears. As for me and my house, we will serve the Lord!”

\* The only way you can enjoy tomorrow is by living today!
