Wed Jan 6, 2021

- I. ***I Corinthians 1:10-13***
  - A. Speak the same thing
    - 1. To speak the same thing, we must be listening to the same voice
    - 2. Properly dissecting God’s Word and laying aside our views and opinions are paramount for the move of God to begin
  - B. No division
    - 1. *Division – Split or Schism*
    - 2. The difference between Godly division from the world and Satanic division among God’s people (One separates to release God’s power and the other divides to suppress God’s power)
    - 3. Man-made religion has always pushed God away instead of inviting Him in
  - C. Perfectly Joined Together
    - 1. *Perfectly joined – Complete thoroughly; repair; fit, frame, or mend*
    - 2. Same Mind and Judgment (Same Thinking & Purpose)

- *Imagine the possibilities if the Christian church came together once again*
- *It’s never been a question of God’s desire or plan, but rather the question lies in the stubbornness in man!*

- II. Following God and laying down all pride and self-ambition
  - A. ***Acts 15:36-41***
    - 1. Both Barnabas and Paul erred from God’s original purpose and plan
    - 2. ***Acts 13:2-3***
    - 3. It is obvious that God still utilizes his vessels (even when they are not in perfect obedience), but staying in complete obedience is the key to the greatest move of God’s glory and power
  - B. Hard-headed vs. Strong Will
    - 1. One exists under the authority of pride and at times, refuses to listen
    - 2. Strong Will should be every believer’s mindset against the devices of the enemy! (I refuse to bow to the system, I refuse to be sick, I refuse to be poor....I have a strong will to complete the Perfect Will of God in ME!
