*"Protecting the Glory"* part 4 Sun Mar 10, 2019

- I. **Romans 6:6-14**
  - A. Dying to Self & Living for God
    1. What it means: Giving up what I want and choosing what God wants
      - Herein lies the most overlooked fact: What I want (what feels good, what looks good, tastes good, etc. does not mean that is IS GOOD!). When I choose what God wants, It is BETTER than Good!
      - Why do I choose what God wants? Answer: Because I NEED (not just want) what HE has in order to sustain my life!
    2. Sin (Missing the Mark) comes to separate you from what you need: God's Presence!
  - B. This is how you overcome sin: Reckon yourself (vs. 11)
    1. 2 things in one: Dead unto sin INDEED but alive unto God
    2. Most people never get past the "sin" factor because there is no RECKONING (The settlement of my account)
    3. **Acts 17:28** *"In Him I live and move and have my being."* My debt is paid in full and I am no longer a slave to sin or its offspring!
    4. **Galatians 2:20**
      - This is how you come to the place of not allowing sin to reign (**Rom. 6:12**)
      - Proclamation of Faith: *Sin shall not have dominion over me!* (**Rom. 6:14**)
      - *"The life I now live in the flesh, I live by FAITH..."* (A monumental part of faith is trust; I trust God because I know that He is always for me; and since I know Him, I also know Satan and how much he hates me - Thus the reason why I should never be ignorant of any of his devices....)
- II. Understanding Your Soul (Mind, Will, & Emotions) (Drawing)
  - A. My soul – the place of my victory!
    1. **Psalm 34:1-4**
    2. When my mind & my thoughts are in the right place then I have the power to choose the right direction (My will); when my choice is correct, then my emotions will always remain stable!
  - B. The entrance to your soul: 5 Senses Especially Seeing and Hearing (Eyes & Ears)
    1. **Ecclesiastes 1:8** *"The eye is not satisfied with seeing nor the ear with hearing."*
    2. Jesus said, "Take heed to what you hear" & "The light of the body is the eye."
    3. Men: Be careful what you see / Women: Be careful what you hear
      - Men are single tasked (what they see right in front of them) (**Prov. 5:19**)
      - Women have a multi-task mind set (their verbal centers are on both sides of the brain so they retain what they hear more than men) **I Tim. 5:13-14**
