“Strong In Faith”

Wed July 11, 2018

I. **Romans 4:17-21**

A. What is strong faith

1. Fully persuaded faith; unyielding and immovable!
2. This is the kind of faith that every believer should have as their goal to achieve.
3. Strong Faith Gives Glory to God (vs. 20)

B. This is the kind of Faith that Jesus is looking for

1. **II Chronicles 16:9** *“For the eyes of the Lord run to and fro....”*
 - Are you in the right place at the right time?
 - If God is looking, then you should also be looking: **II Peter 3:12**
2. **Luke 18:8** *“When the Lord returns, will he find faith on the earth?”*

II. Increasing your Faith to make it Strong

A. **Luke 17:5-6**

1. The increase can only come when actions are applied to the principal of faith.
2. Speaking faith-filled words is the beginning of increasing your faith.
3. Just like a muscle, faith must be exercised in order to be strong. The more exercise, the stronger faith becomes!

B. **James 2:17-20, 26**

1. This is exactly why Jesus told the disciples, *“If you want to increase your faith, put into action what you already have.”*
2. There are no shortcuts concerning this:
 - This is why New Year’s Resolution’s have a large failure rate every year.
 - And just like Failed Resolutions, People want God to do things for them, when He has already given to them the very means by which we overcome. (**Romans 12:3** *“God has given to every man the measure of faith.”*)
