

# “The Expectation of Faith” Wed April 28, 2021

## I. *James 1:5-8*

- **What does it mean to ask in faith? Answer: To expect with full confidence, knowing that you will receive**
- **What does “waver” mean? Answer: To withdraw, hesitate, doubt, stagger**

- *“Nothing Wavering” is the key to receiving from God all the time. Faith and Unbelief cannot co-exist when it comes to the promises of God!*

## II. Changing Your Belief....Changing the way you think...Changing the way you act

### A. Double-Minded

1. Two-spirited; vacillating in opinion or purpose
2. People say all the time, “I am just trusting God.”, but are they?

### B. Now Faith is....(*Hebrews 11:1*)

1. Faith does not wonder, wait, or want...
2. Faith expects, demands, and receives

### C. Faith Speaks

1. The tongue....the power within
2. Speak the Word....Speak with expectation (when your thinking changes, the words that proceed out of your mouth will change)

### D. *Hebrews 10:22-23*

1. We have the ability to draw near with confidence because we know that God loves us, and we know that He always wants the best for us
2. “Without Wavering” – *Firm, not leaning*

### E. Faith Acts

1. “Faith without works is dead...” (*James 2:26*)
2. Your actions are a result of what is in your heart

- *Expect God’s Best, Believe God’s Best, Receive God’s Best!*
