“What Assurance Do You Have?”

Wed August 7, 2019

- I. ***1 John 2:27-29***
 - A. Confidence = Assurance
 1. There is a vast difference in hoping and knowing
 2. The believer should have a bold confidence because of His relationship with Him!
 - B. This message carries over from “The Two Dimensions”
 - If Jesus is praying for us, should we ever be afraid?
 - So many people live with questions, fears, and concerns.....and Jesus simply says, “I am your assurance in life; place your trust in me!
 - C. ***Proverbs 3:21-26***
 1. Your tomorrow is determined by what you do today
 2. God’s people have wandered in the wilderness way too long; Get rid of the wilderness mentality and possess your promise land!

- II. Confidence Comes Through Relationship
 - A. ***1 John 5:13-15***
 1. Your faith (trust) in God is the key element to building your assurance
 - The lazy mentality says, “God will give me what I need.”
 - The faith mentality says, “I will do what it takes to get where I need to be.”
 2. The real important question tonight: “Who has total confidence that whatever you pray, God answers?”
 - B. The difference in calling yourself a Christian and knowing that you are a son
 1. Your identity begins with knowing who God is first
 2. Once you know Him, then He reveals to you your true identity
 3. ***Hebrews 10:35-38***
 - Press Toward the Mark
 - Refuse to Look Back
 - Give no place to the devil
