“Where Is Your Confidence?”

Wed Jan 16, 2019

- I. ***Proverbs 3:21-26***
 - A. The Promise of Divine Protection
 1. Safe walking, Sweet Sleep
 2. Sudden Fear = Terrorism
 - B. Confidence
 1. Assurance, Conviction, and Trust
 2. The simple translation: *“The Lord will be everything you need; He will be with you wherever you go; He will keep you safe and sound!”*
 3. Look at the opposite
 - Unsure, Timid, Fearful, Uncertain, Hesitant
 - When you know without any doubt that God is your confidence (He has your back), this is when you have confidence!

- II. When you know that you know...
 - A. ***1 John 5:13-15***
 1. Do you believe that God hears your prayers?
 2. Do you believe that God answers your prayers?
 3. Praying with results begins with “knowing”
 - B. ***1 John 3:18-22***
 1. The Condemned heart is the greatest enemy to confident praying
 - Condemned - To find fault with or blame
 - ***Romans 8:1*** *“There is therefore now no condemnation...”*
 2. In order to have complete confidence in God and His Word, you must first deal with “you”
 - Satan is a master at working the blame game
 - Confessions of faith are essential to reminding you of who you are in Christ Jesus: *“I am the righteousness of God...”, “I am a new creature; old things are passed away...”, “In Him I live and move and have my being...”*
